(Gebirgstrachten- und Schuhplattlervereine)

Dear Officers and Members of the
Gebirgstrachten Erhaltungsverein Schlierachtaler Stamm;

On behalf of the officers and members of Gauverband Nordamerika I would like to take this opportunity to extend our sincere congratulations and best wishes on this your 75th Anniversary and re-dedication of your club flag.

You have had a long and proud history as a founding member of the Gauverband Nordamerika. Your continued participation in meetings, Gaufeste and other Vereine Fahnenweihe and anniversaries, as well as your many trips back to the land of your forefathers stand as a shining example of your motto "Treu dem guten alten Brauch".

The re-dedication of your club flag on the occasion of your 75th anniversary is proof of your commitment to our Bavarian traditions and exemplifies the true meaning of "Sitt und Tracht der Alten wollen wir erhalten".

In closing, I would like to personally congratulate the Gebirgstrachten Erhaltungs Verein Schlierachtaler Stamm, its officers and members on this your 75th anniversary. I wish you continued success.

Treu dem guten alten Brauch,

GAUVERBAND NORDAMERIKA, INC.
